

The background is a vibrant collage of festive decorations. It includes colorful streamers in shades of orange, pink, blue, and yellow, some of which are curled into loops. There are also small, square confetti pieces in various colors scattered throughout. Several balloons are visible, including a large red one, a teal one, and a white one. Additionally, there are several paper fans or pinwheels in different colors like green, pink, and blue. The overall theme is celebratory and joyful.
